

TODAY'S BUSINESSES EMPLOY A VARIETY OF METHODS OF MAKING EVERYONE FEEL MORE COMFORTABLE AT WORK, BUT THERE'S ONE TREND THAT IS BECOMING UNIVERSALLY ACCEPTED

THE BLENDING OF WORK AND HOME ATMOSPHERES. AS OFFICES AND WORK STYLES CONTINUE TO EVOLVE, PEOPLE ARE SPENDING LESS TIME AT A DESK AND MORE TIME COLLABORATING IN PLACES THAT OFFER THE CASUAL COMFORTS OF HOME.

STEELCASE FLEX: BUILT FOR TEAMS

**6-8 WEEK LEAD TIME FOR ALL
FURNITURE PROJECTS**

CALL YOUR SALES REPRESENTATIVE TODAY FOR A FURNITURE CONSULTATION!

STEELCASE FLEX WAS DESIGNED AFTER OBSERVING HIGH-PERFORMING, HYPER-COLLABORATIVE TEAMS ACROSS THE GLOBE, UNDERSTANDING HOW THEY WORK AND WHAT THEY NEED TO BE THEIR BEST. INSPIRED BY TEAMS USING DESIGN THINKING AND AGILE PRACTICES, STEELCASE FLEX GIVES TEAMS THE FLEXIBILITY AND CONTROL TO ADAPT THEIR SPACE ON DEMAND TO MEET THEIR RAPIDLY-CHANGING ACTIVITIES.

DESIGNED WITH INTERCONNECTIVITY AND CLEVER DETAILS, THE ENTIRE COLLECTION WORKS TOGETHER ALLOWING TEAMS TO RECONFIGURE THEIR SPACE IN A MATTER OF MINUTES. THE PIECES WORK WELL ON THEIR OWN, BUT JUST LIKE TEAMS, THEY WORK BETTER TOGETHER.
